

Mentorship Graduation

Certificate of completion will be given at the end of class with a Graduation ceremony. This special service acknowledges all accomplishments of the Mentee to becoming a Mentor.

After Graduation the Mentor has an opportunity to be selected to participate on the Mentorship Staff. This selection process is based on high productivity in the class.

The Mentorship Graduation concludes with a small assessment fee, whereby the Mentors receive many memento items, a Mentorship badge, books, and more, along with their Certificate of Completion. This is a sacred experience to be affirmed by God to empower others in different communities. We call it “Transformation.”
